The Leading Dress Goods House OF THE WEST. Over 50,000 Styles Now on Hand.

Two immense dress goods stocks to select from. High grade goods and popular goods.

While we are always in the lead, this year we have gone beyond even our own expectations. We were fortunate in securing the choice fall materials of all the finest manufacturers of the world. Reed, the manufacturer of the celebrated Lansdowne; Botany Mills, Goodall, and the James-town Mills. We were also fortunate in securing an able corps of dress goods salesmen from the different large cities who are thoroughly posted on their business and capable of handling all trade in the most courteous and gentlemanly manner.
